# SAFARI TENTS

at Teversal...from only **£40 per night!**

Escape the urban jungle and spend a night under canvas in Teversal Camping and Caravanning Club Site's new luxurious Safari Tents!

“With a fully opening frontage and sun canopy area, we were able to ‘bring the outside in’ which gave us the feeling of outdoor living you only really get from a tent...Glamping, really doesn't do justice to this experience.”

“A wonderful introduction for those who have never camped before!”
