Green Paper Number: 1.16  
Subject: Foot and Mouth Disease and Bluetongue  
To: As listed below  
From: Elizabeth Simpson, Finance and Administration Director  
Direct Line No: 02476 479040

Further to Green Paper 17612007 further incidents of Foot and Mouth Disease have occurred. In addition, Bluetongue has now arrived in England for the first time.

The current Protection and Surveillance Zones for Foot and Mouth Disease encompasses three Club sites at Chertsey, Horsley and Walton-on-Thames. All these sites, together with the rest of the Site network remain open for business as usual.

As a result of the outbreak of Bluetongue, a large Temporary Control Area has been declared, comprising the counties of Bedfordshire, Cambridgeshire, Essex, Leicestershire, Lincolnshire, Norfolk, Northamptonshire, Nottinghamshire, and Suffolk, as well as the Unitary Authorities of Leicester City Council, Luton, Milton Keynes, Nottingham City Council, Peterborough, Rutland and Southend-on-Sea.

Whilst the declarations primarily cover the movement of livestock, landowners may need to remove or restrict access to camping areas. Members intending to camp on Certificated Sites within the Temporary Control Area or Protection and Surveillance Zones are advised to contact the site prior to commencing their journey.

Club units organising meets or Temporary Holiday Sites within any of the restricted Zones or Area should contact landowners to confirm that the event can proceed as planned.

If in any doubt, members are advised to contact the appropriate Club Site, Forest Holidays Site, Certificated Site or Meet Organiser BEFORE they travel.

Up-to-date information relating to Foot and Mouth Disease and Bluetongue is available on the Club website, or at [defra.gov.uk](http://defra.gov.uk).
