Subject: Club's National Countryside Care Officer

To: All Secretaries

From: Director General

Direct Line No: 024 7647 5020

National Council hopes that all Regions, District Associations and Sections will consider their involvement with countryside care and ensure that a Countryside Care Officer is appointed for their unit.

All Countryside Care work is voluntary although Club units may pay travel expenses for countryside care work organised by their Countryside Care Officer.

The Club has a National Countryside Care Officer to work with Club unit Countryside Care Officers and provide advice, guidance and support for the work the Officers are organising.

The National Countryside Care Officer also works with the Club Sites Department to carry out work on Club Sites. This work will often involve specific Countryside Care Workers who have specific skills and qualifications along with local Club Countryside Care volunteers. Travel expenses for such work are reimbursed by the Club Sites Department.

It must be stressed that Site Working Parties which work on Club Sites at the start and end of the camping season are not part of Countryside Care. Site Working Parties are given free camping and no travel expenses are to be paid.

The Club's National Countryside Care Officer is Norman Hemsley, his address is: 219 Cator Lane North, Beeston, Nottingham NG9 4BL. Tel: 0115 917 6138

Will Unit Secretaries please ensure that this information is passed to their Countryside Care Officer.
