In some cases the amount could be higher and varies according to the hire company, category of hire car and location. The collision damage waiver cover the amount above the excess.

“Fair Call Entitlement”

means the number of callouts You are entitled to make as set out in the Fair Call Scheme section.

“Home”

means Your permanent residence in the Territory.

“Member/You/Your”

means the person who is entitled to receive the services under their ‘Personal based’ or ‘Vehicle based’ Membership.

“Membership”

means this policy of roadside Breakdown assistance insurance, which is subject to these terms and conditions.

“Membership Year”

means the period of 12 calendar months commencing on the date You started Your Membership.

“Modified Vehicles”

means any Vehicle that has been modified from the manufacturer’s specifications in such a way that it requires Specialist Equipment for Breakdown assistance.

is equipment not carried by RAC Patrols or RAC Contractors and includes but is not limited to winching and specialist lifting equipment.

“Territory”

means United Kingdom, Jersey, Guernsey and the Isle of Man.

“United Kingdom”

means England, Scotland, Wales and Northern Ireland.

“Vehicle”

means any Vehicle eligible for cover under the Membership that meets the specifications set out in the Vehicle Specifications section on page 10.

The Driver and Vehicle Licensing Agency (DVLA), responsible for registration of vehicles in the UK and the DVANI in Northern Ireland. Or the Isle of Man Department of Transport for customers living in the Isle of Man.

15. If the service You require is not provided for under these terms, We will try, if You wish, to arrange it at Your expense. The terms of any such service are a matter for You and the supplier.
16. In order for a Member to benefit from any new Membership offers or promotions, a period of one year must elapse between the Member leaving RAC and rejoining. An application to rejoin before one year has elapsed will be treated as a renewal and priced accordingly. If you rejoin RAC within a period of one year We reserve the right to cancel Your new Membership or request you pay any additional premium as required.
17. We can, at any time and after taking a fair and reasonable view, make changes to Your policy, to:
 - reflect changes (affecting us or Your policy) in law or regulation or the interpretation of law or regulation.
 - make Your policy clearer and fairer to You or to rectify any mistakes that may be discovered in due course.

Changes (together with the reasons for such changes) will be notified to You in writing, at least 21 days in advance, to Your last known Home address.

If the change is to Your disadvantage You may cancel Your policy immediately. If You do so You will be entitled to a refund or credit of the premium paid subject to a deduction for the time for which You have been covered. This will be calculated on a pro-rata basis for the period for which You received cover.

If you fail to provide proof within 14 days when requested following a Breakdown You will have to pay for the cost of providing service at that Breakdown. You must allow Us to examine Your Vehicle, upon request, at all reasonable times.

1. Any costs incurred without Our prior consent. All requests for service must be made directly to RAC.

3. Specialist equipment costs. We will however arrange for the specialist services if needed, but You will have to pay for any additional costs direct to the Contractor.
4. Any costs incurred as a result of You failing to carry a serviceable spare tyre and wheel, or incurred in arranging the removal of a wheel secured by locking wheel nuts when You are unable to provide a serviceable key, appropriate to Your Vehicle, caravan or trailer.

Please note: Motorised Vehicles that are manufactured without the provision of a spare wheel will be considered on their individual merits. Assistance in changing a wheel is covered, subject to You carrying a serviceable spare as specified above.

6. The cost of a locksmith if You lose, break, or lock Your keys in Your Vehicle. If We are unable to open Your Vehicle for any reason, We will arrange for a locksmith to attend where available, but You will be responsible for the costs. If a locksmith is not available, We will arrange for Your Vehicle to be taken to a nearby garage for assistance but You will have to pay for any work carried out on the Vehicle. 10. If Your caravan or trailer breaks down in a way that means it cannot be repaired, We will be unable to recover Your caravan or trailer. If this situation arises, We can arrange for the Recovery of the caravan or trailer, although You will be responsible for any costs incurred. We would recommend that You always carry a serviceable spare tyre and wheel appropriate to Your Vehicle, caravan or trailer.
11. The cost of any parts provided by RAC to fix Your Vehicle at the roadside must be paid for in full by credit/debit card at time of Breakdown before work can commence.

Battery related faults

For battery related faults Your Membership entitlements are as follows:

- Our initial attendance for a battery related fault is included in Your Membership entitlement. There is no charge for that attendance.
- The fitting of any parts or batteries purchased by You prior to Our attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary callouts.

- Our Patrol will test Your battery at that initial Breakdown attendance. If the battery is no longer serviceable and so fails the test You will be advised to replace it.
- If a condemned (non serviceable) battery is not replaced, We may provide further assistance to a battery related fault but in this case a separate charge will apply. The charge will be payable by credit or debit card before assistance can be arranged.
- If you make a scheduled battery response appointment it will not impact Your entitlement.

Misuse of membership

We have the right to refuse to give service and/or cancel Your Membership if You, or anyone else acting on Your behalf who uses Your Membership, is found to have misused any of Our services or representatives. Misuse of Membership includes, but is not limited to:

Roadside Services – Omitting to tell RAC important facts about the Breakdown in order to obtain service that would otherwise require additional payment.

False details – Providing false information in order to avoid costs.

Someone not listed on Your Membership – Knowingly allowing someone not covered by Your Membership to attempt to obtain Our service without payment.

Service when not paid – Knowingly attempting to obtain service knowing that payment failure has occurred or will occur, with no intention of providing alternative payment.

Fair Call scheme – Attempting to rejoin under a new Membership once You have reached Your callout entitlement, as a way to avoid callout charges or limited service, as set out under the Fair Call Scheme.

Inappropriate behaviour – Acting in a threatening or abusive manner, verbally or physically, towards any representative of RAC.

What will happen? – We will contact You to highlight the identified misuse and reserve the right to:

1. Offer a lower level of cover at renewal if You wish to continue Membership with Us.
2. Restrict the payment methods available to You.
3. Immediately cancel Your Membership and refuse to accept Your custom in future.

4. Immediately cancel Your Membership and request settlement of any outstanding Membership fees or charges for services provided. If settlement is not arranged following Our debt collection process, We may take legal action and will refuse to accept Your custom in future.

Please Note: We continually monitor Our records and have the right to cancel Your Membership without notice, if You rejoin in order to avoid being affected by the above four points. We will also charge for any service provided if the cost to RAC exceeds the Membership fees paid in such cases

Fair Call scheme

Fair Call was introduced to protect the majority of Members, ensuring that the highest level of service is always delivered. Only a small percentage of Members are affected.

Depending on Your type of Membership, during each Membership Year You have the right to call Us out to provide Breakdown assistance a number of times. We call this Your Breakdown entitlement.

	Breakdown Entitlement		
	Single	Joint	Family
Personal Based	5 Callouts	6 Callouts	7 Callouts
Basic Cover	1 Callout	2 Callouts	3 Callouts
	One Vehicle	Two Vehicles	Three Vehicles
Vehicle Based	5 Callouts	6 Callouts	6 Callouts

- If You are a Member with five or more completed years Your Fair Call Entitlement will increase by an additional two callouts.
- If You change Your Membership cover, Your callout entitlement will be adjusted if appropriate.
- We will let You know when You are approaching Your maximum entitlement.
- If You exceed Your entitlement We may provide further assistance but in this case a separate charge will apply, set by Us per callout, payable prior to Us providing the Roadside or At Home service only.

- If You have exceeded Your callout entitlement You may not purchase another year's cover until Your existing Membership Year has run its course. Similarly, You may not cancel Your existing Membership in order to start a new one with a new set of callouts.
- A scheduled battery response appointment will not impact Your entitlement.

Please note: When You have reached Your maximum callout entitlement under Fair Call, You may not change Your Membership level of cover within the current Membership Year and We reserve the right not to offer renewal of Your Membership. If We do offer renewal We may increase Your premium, renew Your Membership offering a lower Breakdown callout entitlement or offer You a different product for the following year.

We may transfer Your information outside of the European Economic Area, for example to Asia.
