PRESS RELEASE

RALLY CLUB NEDERLAND WILL CELEBRATE ITS 25TH BIRTHDAY

In April 2014, from 24 – 28, the Rally Club Nederland will celebrate its 25th birthday. The Rally Club was founded on the 28th of January 1989 with one ultimate goal: Encourage international exchanges between campers from diverse clubs and nationalities. For this celebration we choose the well-equipped campsite 'De Schatberg' in Sevenum near Venlo, known from the successful Floriade Rally in 2012. A festive program with a variety of activities, good food and fun is waiting for campers from all over Europe.

Campsite

The camp site is known for its friendly atmosphere, the indoor and outdoor swimming pool, the lovely bars and restaurants and the hospitality of the regional staff.

The program

From the welcome evening on Thursday 24 until the farewell breakfast on Monday 28 the participants will have the opportunity to look around in the interesting region of Limburg, to visit a regional Museum www.museumdelocht.nl, to participate in an international tasting event "Preuvenement" with music, to enjoy a big bonfire on the campsite beach. On Saturday is the 1st "Kings Day" which will start in the morning on the camp site with coffee, tea and special "Orange Cake". The afternoon is free for joining in the festivities in the region or follow the Kings birthday on big screens in the camp sites Trattoria. In the evening free bowling. (Registration on arrival.) On Sunday is a free day with the possibility to visit local growers (strawberries, asparagus) suppliers of De Schatberg. The day will end with a fantastic final evening with dinner dance (live music). On Monday morning we'll say goodbye with a tasteful breakfast buffet.

Possibility for a longer stay or join in to the "100 km of Tulips" Rally

Our rally-participants are welcome to arrive 3 days earlier and then pay the price of the rally: € 12 per night per unit. This price is including all the facilities of the camp site. Staying after the rally is also possible, but then you pay – because of the spring vacation- the normal price of the camp site and of course there is the chance, that you have to move to another pitch.

For our guests, who would like to stay another week, the Rally Club will organize something special. On the former island of Urk in the Noord-Oostpolder we reserved the camp site "Het Urkerbos" for a special experience. On this 'new land' on the bottom of the former Zuiderzee (Southern Sea) our bulb growers grow huge fields of tulips. Those who would like to experience the calorific splendour can make a trip (by car) or a shorter one (by bike or on foot) of 100 KM of Tulips. This Rally is from April 29 – May 5 and will be published soon on our web site www.rallyclubnederland.nl and on www.hollandrally.nl
