

# Canvas votes for your campsite

and you could win our Best CS competition.

**One of the best ways to attract more bookings is for members to vote for your site in our annual Best CS competition. It's a prestigious award, draws coverage in our publications and winners have seen increased revenue as a result. You'll also receive a plaque and special gift from the Club.**

To start securing votes, download a competition poster and nomination leaflets from our CS owners' area to print and display on your site. It gives members details of how to nominate you and what they could win, just by voting. Good luck!

Greenfields House, Westwood Way, Coventry, CV4 8JH.
