About Delamont Country Park

The site is situated in the gates of Delamont Country park which is two miles away from the village Killyleagh and five miles away from the town of Downpatrick.

The site is surrounded by trees but is open and flat

We have a mix of hardstanding's with electric Grass with electric and Grass only pitches, all electric pitches have a water point and a gray waste drain.

Club Sites Access Statement

Delamont Country Park

Mobile phone signal is poor around site.

There is no payphone available on site.

Television signal is reasonable across the whole site.

The site is fully covered by the clubs wi-fi.

Your Arrival on Site

The nearest bus stop for Killyleagh & Downpatrick is approx. 400m from site.

Buses to Belfast from the bus station in Downpatrick approx. 5miles from site.

The site is signposted on the A22 from both directions with a brown caravan park sign (follow Delamont Country Park signs) and a Camping and Caravanning Club sign at the entrance.

Arrivals out of hours should stop at reception which is clearly signed and follow instructions posted on the office door and in the site information leaflet & site plan located on the wall to the right of the office door.

There is an electric keypad operated entrance barrier which is 900mm high. The keypad for code entry which is located to the right of the barrier is 1100mm high and has 1000mm wide pedestrian access beside it.

The electrically operated exit barrier is 900mm high: it rises automatically when a vehicle approaches. There is pedestrian access at the side of the barrier.

There is a small visitor car park at the side and rear of reception which doubles as overnight parking when space permits. Extra parking is available in the Country Park.

Arrivals should pull up outside reception. There is a slight incline from the entrance gate to reception, the site road is fairly level. The road is tarmac.

There is no designated accessible parking.

A one-way system operates around the site.

There are plant containers outside reception along the path.

Your Check In

The reception is clearly signed.

Club Sites Access Statement

Delamont Country Park

The reception is open 9am -10.30am & 4pm – 6pm.

Information is on the reception door on how to contact a team member when reception is closed.

The area around reception is fairly level tarmac & concrete.

There is a slight lip in the doorway.

The reception floor space is clear.

Your Pitch

A car can be parked next to the unit on all pitches.

There are several pitches close to the facilities block.

There are 5 grass pitches which have no electricity which are for tents only. There are 63 hardstanding pitches, 56 of which are loose gravel; the remainder are a plastic honeycomb base with grass.

All pitches are level & hard standing pitches are accessed by a tarmac road. There are a small number of hook up bollards at 800mm with a water tap at 620mm. Most are 900mm with a water tap at 900mm.

Travelling Around Site

At night there is low level lighting around the site, and the rest of the site is dimly lit by hook up bollards. There is also night-time lighting outside reception and the facility block.

There is a selection of tourist information guides and leaflets outside reception.

There is a small shop facility in reception selling basic goods and a small library to exchange or buy books.

The Facility Block

There is one facility block on site with a tarmac road leading to a level concrete path all the way around which is clear and well maintained.

Delamont Country Park

There are a number of fire points around the site fitted with fire warning triangles.

The fire assembly point is at the car park beside reception.

Although we have tried to be as accurate as possible and include as much detail as we can in this statement, we are always happy to give additional information on any of our Club Sites if this statement does not answer your questions. We encourage and welcome feedback so if you have any comments please don't hesitate to get in touch.

"Site very well-maintained, spotless facilities, staff working hard and quiet at night-time. Plenty of nice walks in park and lots of space for children. Will be back again."

"A very quiet and relaxing campsite. All the facilities are spotless, and the friendly staff are available if needed. Plenty of room between pitches. Will definitely be back soon."

"The site sits on the edge of the extensive Delamont Country Park with great views over Strangford Lough. It is very well maintained with good facilities and a very pleasing layout of pitches."
