About Devizes

Devizes Club Site is located near the village of Seend which is 4 miles west of Devizes.

The site is flat with hedges around and near pitches. There is also a large grass area at the bottom of the site that can be used for ball games and dog walking. Also, in this field there is a fenced off area where dogs can be walked on lead

Club Sites Access Statement

Devizes

The site offers a mixture of grass only, grass with electric and hardstanding with electric pitches, there are also super service pitches.
Mobile signal is very good for all networks.

Television signal is good on most of the site apart from the canal side which has a poor signal during the summer months.

Your Arrival on Site

The earliest arrival time on site is strictly 1pm. Anyone arriving before this time will be asked to return later to avoid congestion occurring on the approach road to site.

Approach surface is tarmac. Site is well signed on the approach to Spout Lane - follow Camping and Caravanning Club signs.

Arrival surface is level tarmac, with a painted white line clear to see and a sign for reception.

There is an automatic barrier with a keypad number code. When the barriers are locked there is a car park just outside the barriers with pedestrian access. No further visitor parking is available on site.

There is no designated accessible parking.

There is a bus stop 200m from site. This bus stop is on routes to Devizes in one direction and Bath in the other direction.

There is a railway station 4.6 miles away in Melksham.

Accessible taxis can be booked in advance on 0800 289904 (Devizes Taxis).

Your Check In

The reception block is the building on the left as you drive in and just ahead of the barrier. The reception is clearly signed.

Access to reception is paving slabs which are level.

There is a small threshold into reception. There is a wide doorway with a shallow ridge at the bottom and the door opens inwards. The floor space is free from clutter and there is turning room for wheelchairs.

The reception is open from 9:00am to 10:30am and 4:00pm to 6:00pm.

When reception is unattended there is contact instructions listed on the reception door.

Club Sites Access Statement

Devizes

Staff are not on duty after 8pm but an emergency telephone number is provided for blue light emergencies after this time. This phone number can be found printed on your Site Welcome Leaflet, and the reception door.

Details of local hospitals, doctors, dentists, and vets can be found on the noticeboard in the information room a.

Your Pitch

Hardstanding with electricity pitches are available close to the facility block, and close to the accessible facilities.

The hardstanding pitches are gravel.

Campers can park on their pitch or at the side grass, weather permitting, and staff will direct you to which side of the pitch this will be. There is a limit of 1 car per pitch. Additional vehicles can park in the visitor parking, space permitting.

Travelling Around Site

All site roads are tarmac. There is a speed limit around the site of 5mph and there are speed bumps. A one-way system is in operation, and this is clearly signed.

Most of the footpaths throughout the site are paved. There are no handrails on any footpaths.

There is low level bollard lighting on the site roads. A torch is recommended when walking around the site at night.

There are rabbit holes in the grass areas throughout the site and these are particularly prevalent in the wooded area at the far end of the site. There are many raised tree roots in the wooded area.

The Facility Block

There is a clear, well-maintained path leading to the facility block. There are no steps on the pathway. Entry to the gents is by means of 1 x 170mm high step through an inward opening door of 880mm width but with a reduced opening of 725mm. The sinks are 800mm high.

Entry to the ladies is by means of 1 x 170mm high step through an inward opening door of 880mm width but with a reduced opening of 725mm. The sinks are 800mm high.
