Graffham

Close by is Graffham Down Reserves, which has lots of different birds, including rare Nightjars which can be found at dusk. Also butterflies and flowers. Weald & Downland living museum (where the repair shop is filmed) is 9 miles away.

We Also have a Local Brewery called Langham Brewery which is 3.5 miles from site. You can expect to be woken up with the morning chorus, as we have many birds on site. Towards the end of the season, we have lots of varieties of Fungi.

The Campsite is within a wood, not many pitches are level, so levelling ramps are advised.

We have some grass pitches, but most are sandy with some roots.

We have pitches with Electric or non-Electric. Many of our pitches are in secluded spots.

Mobile signal is hit and miss depending on who your provider is. There is no Payphone on site.

TV can be hit and miss due to location and tree coverage across the site. Although we've had no complaints.

Wi-Fi is limited and available only around reception area.

Your Arrival on Site

The nearest train station is 8.5 miles from site.

There are two brown signs, one off the A285 and another at the next junction indicating a left turn and site 400 yards on the left.

One keypad operated entrance barrier and one barrier automatic on exit. These are locked between 11pm and 7am.

The visitor's parking is located at the main gate opposite reception, and doubles as the overnight parking.

The main reception car park can hold four cars.

New arrivals should pull up at reception. The surface is gravel and slightly inclined.

There are no steps to the reception just a gravel and slabbed gentle incline.

There are potted plants and seating areas surround the reception.

Your Check In
