"This is a very nice site. situated in a convenient place for cycling along the coast. The facilities as all club sites are very clean. The people are friendly. Will be booking again soon."

"Mablethorpe C&C campsite is easy to access whether towing or not. The welcome at the gate is good and I was given a choice of pitches. (We have been several times before, so we knew roughly where we wanted to be). Man with a mower came and trimmed the edge of the pitch whilst we were reversing on. Good area for walking the dogs, toilets always spotless. No noise in the evening during the week, but got a bit noisier at the weekend when children arrived, but not a problem"

"On my arrival I was welcomed by a very helpful warden and taken to my site. Although during my stay there were quite a few people on the site I didn't notice any loud noise. The site is well looked after by the team of wardens and is a credit to their hard work"
