"A wonderful site in the South Hams. Well-maintained with fabulous views, Angi and Paul very friendly, welcoming, and informative. Toilet blocks clean and regularly maintained. Lovely hot showers. Excellent area for coastal walks. Walking distance to local pubs and the beach. Will be visiting again."

"Beautiful site in lovely location with sublime views over Slapton Sands just a short stroll from the site and a beautiful village in the opposite direction with village shop and choice of two pubs both serving food. The staff on site were very friendly and helpful and the pitches spacious"

"This was our third visit so far this year and no doubt we will be back before the site closes for winter. The managers and staff never fail to be friendly and efficient; the site is maintained to a very high standard and yet still feels relaxed and like home from home."
