"A lovely site well-kept nice shower block. Nice wardens.

This site is worth a few nights visit a nice few good walk in the open countryside with St Neots town an easy 20 minutes' walk away through the stunning park that has loads of play areas. The town is nice with plenty of shops and pubs particularly the ale taster micro pub. a great place to eat out as well market day is Thursday And usually there is something going on at the town square on Saturdays."

"A great location, within walking distance of St. Neots town centre - 30 to 40 minutes through a pleasant park - and a network of paths along the River Great Ouse and across a vast area of grassland adjacent to it. We were met on arrival by a friendly warden who explained where pitches were available and after listening to our preferences took us to a pitch which was perfect for us. The two toilet/shower blocks looked quite new and were kept immaculately

"Very friendly, stress-free welcome. The staff knew who we were (none of the usual messing about with "what's your booking number and how many nights"). Booking details all prepared on a chit. I was very impressed. Expertly guided to the pitch. Facilities excellent - very clean even though there were a lot of campers. Good paths (no pot holes like other sites!) Even supplied a nice sunset :)"
