Mobile signal is reasonable for most networks. There is a payphone on site.

Television signal is good.

### **Your Arrival on Site**

The earliest arrival time on site is strictly 1pm. Anyone arriving before this time will be asked to leave and return later to avoid congestion occurring on the approach road to site.

Approach surface is tarmac. Site is signed with brown tourist signs with the large white club branded sign at the entrance.

Arrival surface is slightly sloping tarmac, with a stop sign and painted lines to demarcate Arrivals parking areas. There are short wooden barriers with walkways through around the arrivals area perimeter.

There is an automatic barrier (with keypad number code). When the barriers are locked there is a small 10 car carpark just outside the barriers with pedestrian access. Preference is given to campers with second cars before visitor parking. No further visitor parking is available on site.

There is no designated accessible parking.

There is a bus stop 20 meters form site with busses to Scarborough.

There is a railway station at Scarborough, 3 miles from site.

### **Your Check In**

The Reception Block is the building near to the barrier, in front of the car park.

Access to Reception is very slightly sloping.

There is a small threshold into Reception. There is a wide doorway with a shallow ridge at the bottom and the door opens inwards. The floor space is free from clutter and there is turning room for wheelchairs.

## Scarborough

Staff are not on duty after 8.00 pm but an emergency telephone number is provided for blue light emergencies after this time. This phone number can be found printed on your Site Welcome Leaflet.

Details of local hospitals, doctors, dentists and vets can be found in the Site Welcome Leaflet.

### **Your Pitch**

Hardstanding with electricity pitches are available close to the facility block, including accessible facilities.

The Hardstanding Pitches are grass matting which can be problematic in adverse weather conditions.

Most grass pitches are sloping to some degree where chocks are required. All grass pitches suffer badly in wet weather conditions therefore motorhomes are restricted to suitable pitches at the time of arrival.

Campers can park on their pitch or at the left-hand side grass, within the fire break, weather permitting. There is a limit of 1 car per pitch. Additional vehicles can park in the visitor parking, space permitting.

### **Travelling Around Site**

All site roads are tarmac or gravel. There is a speed limit around the site of 5 mph and there are a small number of speed bumps. A one-way system is in operation, and this is clearly signed. When driving on the grassy areas care must be taken as the grass can be soft when repeatedly driven upon.

The majority of the footpaths throughout the site are paved. There are no handrails on any footpaths.

There is some lighting provided by streetlights around the site. A torch is recommended when walking around the site at night.

There are rabbit holes and extensive mole hills in the grass areas throughout the site. There are many raised tree roots in the wooded areas.
