

# BUILD YOUR OWN BASECAMP 4

We're giving you the chance to show off your creative skills and build our Swift Basecamp 4. Just follow the instructions below and have fun!

- Remove the Basecamp 4 from the template
- Carefully insert the tab through its corresponding slot (e.g. A into A)
- Stick the tabs down with sticky tape.
- Post a photo to Facebook, Twitter or Instagram and tag us in the post!
