CAMPING STYLES TO SUIT YOU

SETTLE FOR NOTHING LESS THAN EVERYTHING

OVER 100 CLUB SITES TO CHOOSE FROM

If you like to be sure of what you're going to find on site and you're looking for a bit of comfort when you go away, we think you'd love our Club Sites. Spread across the UK from Inverewe in the north of Scotland to Sennen Cove in south Cornwall, they have well-laid out pitches, immaculately clean facilities and on-site staff ready with a wealth of local knowledge.

From free site wi-fi (on most sites) to stop off points for long journeys, you'll find the same high standards wherever you are. And members get a 30% discount on site fees too! Plus, we have additional member-exclusive offers throughout the year, not to mention booking up to a year in advance – to help you get a pitch on your favourite site.

PLUS 15 CAMPING IN THE FOREST SITES

Rediscover your natural habitat with a holiday on one of our sites set in the UK's ancient forests. Scattered across England and Scotland and with direct access to the forest paths, you'll find the perfect place to truly get away from it all. Take a walk in the woods, watch the local wildlife or simply sit back and enjoy your leafy surroundings.

So whether you're holidaying in a caravan, a campervan, a tent or something in between, you can be sure of finding your perfect pitch with us.

LOOKING FOR SOMETHING A LITTLE DIFFERENT?

TRY OUR NETWORK OF OVER 1,300 CERTIFICATED SITES, JUST FOR MEMBERS

You're a confident camper and like exploring hidden nooks, finding undiscovered gems and making your own way. You'll find everything you're looking for – and much more – on our small, **member-only sites**.

Each one is individual and often hidden away in places where you wouldn't expect to find a site. There's wondrous variety, too, from all-singing, all-dancing sites with all the facilities you could wish for to fields at the back of working farms with only the basics.

Each site can accommodate up to five caravans or motorhomes and up to ten tents at any one time. And with so many sites, there's a good chance you could have the site to yourself! With fees from as little as £10 per unit per night, you can afford to take more breaks or treat yourself to a little something extra.

All our Certificated Sites are inspected every year, so you can be sure they're up to the standards our members expect. With over 1,300 sites just waiting for you to pitch up, you'll never be short of somewhere new to explore.

CAMPING STYLES TO SUIT YOU

A TIME. A PLACE. A COMMUNITY.

SOCIAL CAMPING, EXCLUSIVELY FOR MEMBERS

If you love the camaraderie you often find on a campsite and feel that camping is all about the friendships you make and the experiences you share, you'll love our **Meets and Temporary Holiday Sites**.

With over 2,500 of these member-organised events happening every year, you'll be sure to find something to suit you. Not only is there something going on almost every weekend, they're great value for money too – so you can really indulge yourself and camp as often as you feel like!

Meets usually take place over a weekend, but can last for up to five days. You can stay for one night or for the whole Meet, it's entirely up to you. Lots of Meets offer entertainment, but some simply offer the chance to camp with like-minded people in a peaceful location.

Temporary Holiday Sites can be found in holiday destinations, seaside resorts and in the heart of the countryside. Most THSs have very basic facilities, but some will have extras such as toilets, showers and electric hook ups.

What all these events have in common is the friendly and welcoming atmosphere on site – a real sense of community and helping one another out. You'll find friends for life here.
