Sites that do not show a CLOSED symbol remain open during the winter months and will allow access as per the terms and conditions. Sites that do show the CLOSED symbol will be closed for the winter period and no access will be permitted. Availability of Winter Storage and Winter Seasonal pitches on all year round sites will depend on the take up of Year Round bookings already made.

Due to access restrictions, NO MOTORHOMES are permitted in storage at Tavistock and units in storage can only be moved by the site team. Please note due to soft ground within the Tavistock Storage area, wheel clamps cannot be used; however hitchlocks are permitted. Maximum size restrictions may apply.

Please contact **storage@campingandcaravanningclub.co.uk** or call **024 7647 5481/024 7647 5310** for further information.

UK CLUB SITES TERMS AND CONDITIONS

Unreserved acceptance of the following conditions is a requirement for participation in either of the schemes and the member must sign the application form. Both schemes are open to recreational campers only.

HOW TO BOOK

Application forms should be returned to Club HQ as soon as they are received in your monthly magazine, or downloaded from the website.

Bookings will be processed by HQ staff on a first come, first served basis and in order of receipt. Only postal bookings along with payment will be accepted and payment will be taken when the form is processed. Payment by instalment is only available for Winter Seasonal pitches and 60% is required on application. Seasonal pitch second instalments of 40% are due 28 days prior to the start of the booking date. Cheques should be sent to Greenfields House, card payments will be taken automatically using the details provided. Under no circumstances can a Winter Storage or Seasonal Pitch be occupied before payment is made.

Note: It is advisable to send application forms by recorded delivery (or similar) as the Club cannot take responsibility for any forms delayed by the postal service. Please be aware that due to the high volume of applications received it is not possible to confirm receipt of any application forms. In addition confirmation of your booking may take longer when bookings first commence.

DATES OF OPERATION

Please see the grid provided for a full list of sites and dates of operation. The Start Date represents the 1st night of the scheme and the day from which units can arrive (after 1pm). The End Date represents the day by which units must be removed (see clarifying note on Removal of Unit and consecutive bookings).

REMOVAL OF UNIT ONCE SCHEME HAS ENDED

All units participating in the scheme must be removed from the site by the date specified (please see the grid provided for end date). However if a consecutive booking is made via HQ for the same site there will be no need to move your unit.

WINTER STORAGE

Leave your unit in storage for the Winter Season. Milarrochy Bay exclusively offers Winter Boat Storage, which has the same terms and conditions as Winter Storage.

UNIT MOVEMENTS

Access to units in Winter Storage is not available during the winter season, unless a unit is kept on a site that is open all year round. If the site is closed for winter, the unit cannot be accessed or removed before the end of the storage period. For year round sites, the Towing Service where offered, is subject to staff availability and should be discussed with the Holiday Site Managers in advance to ensure the service can be provided. Weight Restrictions may apply.

Units can be removed from storage (on year round sites only) with 24 hours notice (48 hours for Tavistock and Walton on Thames) between the hours of 7am and 6pm. Units should be returned no later than 6pm. If you need to return your unit later than 6pm, this can only be done up to 8pm and must be by prior arrangement with the site. Please note, due to access restrictions, units in storage at Tavistock can only be moved by the site team.

USE OF THE STORED UNIT FOR ACCOMMODATION

A unit may not be used for accommodation in any way whatsoever whilst in the storage area.

DISPLAY OF VEHICLE REGISTRATION

A unit in the storage area must display the correct vehicle registration mark and this must correspond to the entry on the application form.

WINTER SEASONAL PITCH

Leave your unit pitched throughout the winter season. The pitch will be identified by the Holiday Site Manager on arrival, and the fee includes the hire of electric-hook up and the hire of hardstanding, with the exception of Alton, Leek and Nairn, where the pitch surface may be firm, well drained grass or gravel.

Note: Specific pitches cannot be reserved by staff at HQ or by site before the booking begins. If you have a special request, please make this clear on the application form and it will be included on your booking. Though the Holiday Site Manager will endeavour to meet your needs, The Camping and Caravanning Club cannot guarantee that all requests can be accommodated.

THE USE OF UNITS ON SITE

The Holiday Site Manager requires a minimum of 24 hours advance notice each time you are planning to occupy your Winter Seasonal Pitch. For safety and security reasons, please report to the Holiday Site Manager upon arrival each time you visit.

Note: The unit may be occupied on site for recreational purposes only, subject to a maximum of 21 nights for any one visit. An interval of at least 3 nights must elapse before a return visit to the unit.

MAINTENANCE OF PITCH AREA

Personalisation of a Winter Seasonal Pitch is not permitted. This includes boundary fences, the planting of flower boxes, etc. The storage of any equipment beneath the units whilst the unit is not occupied is prohibited. The visual aspect of a Winter Seasonal Pitch should be the same as any other tourer on site and kept as neat and tidy as possible at all times.

AWNINGS AND GROUNDSHEETS

Though it is strongly recommended that awnings are taken down between stays and this may be insisted on in some instances, it may be possible, at certain times to leave awnings erected between stays. This is subject to specific agreement by the Holiday Site Manager and the signing of a separate agreement accepting responsibility for any consequential damage or loss. Please note all decisions are site specific and will take into account many factors, including but not exclusive to, anticipated weather conditions and exposure to risk. Groundsheets should be lifted at regular intervals to maintain the condition of the grass.

LEAVING YOUR UNIT UNOCCUPIED ON A WINTER SEASONAL PITCH

When leaving your unit unoccupied, please ensure that awnings are dismantled if required, the electric and gas supplies are disconnected and the pitch left tidy. Any keys to security locks must be left with the Holiday Site Manager; however neither they nor the Club take responsibility for your unit. Keys will only be used in case of emergencies and will be kept securely.

Note: Please inform the Holiday Site Manager prior to removing your unit from a Seasonal Pitch. It is also important that you advise of your anticipated return date, otherwise your pitch may not be available. If the site is busy, your vacant Seasonal Pitch may be used in your absence.

GENERAL TERMS AND CONDITIONS

Storage and Seasonal pitch holders are also governed by The Club's terms and conditions as listed in the annual guide and online at **www.campingandcaravanningclub.co.uk**

SUB-LETTING SEASONAL PITCHES

Sub-letting to any other party or parties whether for financial gain or otherwise is expressly forbidden. Either of the joint members within the membership of the booking, together with their children up to the age of 18 are allowed to use the unit. Other members of the owner's family and guests can only use the unit when the owner is present, and must pay the appropriate fees per person. All visitors must report to the Holiday Site Manager on arrival.

Note: For open all year sites if the unit is in storage it is permitted for it to be removed for others to use, with the relevant express permission from the unit's owner and on payment of the correct pitch fees if camping on Club Sites.

VEHICLES

Only one vehicle may be parked on the site in conjunction with the use of a unit. Other vehicles may be parked elsewhere on the site, subject to the Holiday Site Manager's discretion and availability of space.

CHANGES OF UNIT, VEHICLE OR PERSONAL DETAILS

The Holiday Site Manager must be informed of any change of unit or vehicle registration number shown on the unit. Changes to a member's address or contact number must also be given to the Holiday Site Manager and HQ.

REPAIRS TO UNITS

All units in Storage or on Seasonal Pitches must be maintained and in a presentable condition whilst on site. Essential repairs to units that are not roadworthy may be carried out in the Storage Area but permission must first be obtained from the Holiday Site Manager.

AUDIBLE ALARMS AND WHEEL CLAMPS

Audible warning alarms can be activated when the unit is unoccupied only subject to Holiday Site Manager approval; - The battery must be fully charged and in good working order to prevent false alarms due to voltage fluctuations. All other devices that could draw on the battery must be disconnected.

Keys and means/instruction to turn off the alarm must be left with the site. If the alarm sounds the customer will be notified and must attend site without delay to assess whether or not there has been an incident and to reset the alarm (including recharging/replacing the battery if applicable). In the event of repeated "false alarms" the Club reserves the right to ask for the alarm to be turned off.

Wheel Clamps – where these or immobilising devices are fitted, a key must be left with the Holiday Site Manager in case of emergency. Please note due to soft ground within the Tavistock Storage area, wheel clamps cannot be used; however hitchlocks are permitted.

CLUB LIABILITY

A member's unit is left on the site entirely at the member's own risk at all times. The Camping and Caravanning Club is not to be liable in respect of loss and/or damage however caused to the unit or its contents, nor under any obligation to take any steps whatsoever to protect the outfit or the said contents. Where the depositor is not the owner, then the depositor is deemed to be the legal agent of the owner thereof.

INSURANCE

Units, as part of any scheme, should be insured and a copy of the appropriate Certificate of Insurance must be given to the Holiday Site Manager upon arrival at the site.

DANGEROUS INFLAMMABLE GOODS OR GAS BOTTLES

No goods of a dangerous or inflammable nature may be left in or on a unit whilst it is unoccupied. To add to this, for safety reasons, when the member is away from the site only gas bottles that fit within the unit gas locker will be permitted.

UNAUTHORISED UNITS

If a unit is left on site without permission, i.e. exceeding the period for which the fee was paid, the unit will incur a nightly storage charge until a further booking is made or the unit is removed from site. If after further contact the unit is not removed, the Club shall be entitled to make such arrangements as it may deem fit for the removal of the unit. The expense of any storage or removal will be for the owner's account and, in the event of the owner failing to pay such an amount within 14 days of it being rendered, the owner is deemed to have authorised the Club to make such further arrangements as it may deem fit to dispose of the unit to reimburse itself for any out of pocket expenses and recover any unpaid fees due.

The Club reserves its right to store such a unit and charge the owner a commercial rate for the storage.

In all cases, the Camping and Caravanning Club will write to the owner to advise them of the above procedure.

CANCELLING A SEASONAL OR STORAGE PITCH

If you cancel a booking for Storage or a Seasonal Pitch giving more than 14 days notice before the start of the booking, we will refund the fees you have paid, less an administration charge of £35.00.

If you cancel your Storage or Seasonal Pitch giving less than 14 days' notice before the start of the booking, or it is cancelled once the season is underway, a refund cannot be provided.

Note: All cancellations for Storage and Seasonal Pitches are required in writing and can be sent as an email to **storage@campingandcaravanningclub.co.uk** or posted to the HQ address.

Camping in the Forest Terms and Conditions

SEASONAL PITCHES

Unreserved acceptance of the following conditions is a requirement for participation in the scheme and the Customer must sign the application form. This scheme is open to recreational campers only. Seasonal Pitch holders are also governed by the terms and conditions as listed on the Camping in the Forest website and online at **www.campingintheforest.co.uk/about-us/terms-and-conditions**

Application Forms should be returned to Storage Dept, Camping in the Forest, Greenfields House, Westwood Way, Coventry, CV4 8JH. It is recommended to send the application by recorded delivery. Unfortunately due to the high number of applications received it is not possible to confirm receipt of the form by phone. Confirmations will be sent as soon as the booking has been made.

Bookings will be processed by HQ staff. Only postal bookings along with payment will be accepted and payment will be taken when the form is processed.

Payment can be made in full to secure your booking. Alternatively, you can pay 60% of the total cost in order to secure your booking. In this instance the final payment of 40% will be required 28 days prior to the booking start date.

Under no circumstances can a pitch be occupied before full payment is received.

The unit must be sited on the pitch identified by the Site Manager.

The unit may be occupied on Site for recreational purposes only, subject to a maximum stay of 21 nights. An interval of 48 hours must elapse before the next visit is undertaken. If you do not comply with this condition we may terminate the Seasonal Pitch.

Please note, some schemes may not cover the Easter Period.

A Seasonal Pitch entitles the user to one tent, caravan, trailer-tent or motorhome and one car or motorcycle. Only one car may be parked on an 8m x 5m pitch with each unit. Additional cars and motorcycles will be charged a fee of £5 per night. Other vehicles must be parked elsewhere on the site, subject to the Site Managers discretion and availability of space.

Only a single awning is allowed on your Seasonal Pitch. A single awning is considered to be the length of the unit and not more than 3 metres deep. Groundsheets must be lifted at regular intervals to maintain the condition of the grass – where possible breathable groundsheets should be used.

All units must be reversed on to the pitch so that in the event of an emergency the site team can access the unit.

On reasonable notice from the site staff, you may be asked occasionally to move your unit onto another pitch. In the event of a hazard or emergency, the site staff may need to move or arrange for the unit to be moved, immediately to another area or pitch. In such circumstances, the Site Staff will, if possible give you as much notice as possible.

You must inform the Site and Head Office of any change to the unit or vehicle registration as well as any change to contact details.

Subletting to any other party is expressly forbidden.

Seasonal pitch holders and their children/grandchildren up to the age of 18 are allowed to use the unit. The same applies to co-owners and their children/grandchildren up to the age of 18. The Seasonal Pitch holder may nominate up to two co-owners. The cost of each additional co-owner is £150. If the owner and the co-owner are both in situ at the same time then standard extra adult and child charges will be applied to the co-owner.

All day visitors should report to the Site reception on arrival. Visitor cars are charged at £5 per day and must be parked elsewhere on the site, subject to the Site Managers discretion and availability of space

The personalisation of a Seasonal Pitch is not permitted; the Site is to be used for recreational purposes only and must therefore retain the aspect of all other touring pitches. There can be no boundary fences (windbreaks), planting of flowers boxes or installation of any flooring other than ground sheets.

Seasonal Pitch holders are asked to be responsible for the tidy upkeep of the area in the immediate vicinity of their camping unit and should be prepared to comply with any reasonable Site management request regarding the maintenance of the occupied pitch. You will be notified of any uncleanliness or untidiness and a reasonable period will be allowed for this to be put right. If this is not put right, the

Site Staff will have the work done and the costs incurred will be charged to the customer.

Nothing may be planted in the ground or in the vicinity of any seasonal pitch.

When the unit is not occupied, please ensure the electric-hook up is disconnected and the electric cable stored.

No equipment may be stored below the unit when it is not occupied. No other storage facilities are allowed to be placed on or near to the pitch. For clarity this involves any type of temporary garden storage units.

Units, as part of any scheme must be adequately insured; please give a copy of the appropriate Certificate of Insurance to the Site Manager on your arrival at Site.

Only gas bottles that fit in the caravan gas locker are permitted. No other goods of dangerous or flammable nature may be left in or near an unoccupied let the Site Manager know that you will not be on Site and ensure that gas and electric supplies are disconnected.

Do not leave food in your unit when it is unoccupied as it will attract unwanted attention of the local wildlife. Ensure that the pitch is left in a neat and tidy condition.

If you wish to take your unit off site or out of storage during the season, please ensure you give the Site Manager 48 hours' notice of this and a date when you will be returning the unit to site. In some cases access maybe restricted. Please note units stored at Glenmore may not be removable due to extreme weather conditions. If you have any concerns please speak to the site team directly before making the booking. Returning to the same pitch may not be possible.

In order to protect the grass on Site we reserve the right to ask you to move your unit every 28 days. In the New Forest, units on grass pitches must move every 21 days as required by Natural England.

Where units are fitted with a device which prevents immediate removal, a fully labelled key must be left with the Site Manager in order that they can move your vehicle should the need arise.

Audible warning alarms – must not be activated when left unoccupied.

Any unit left on Site for a period that exceeds the period that has been paid for will be removed and any costs incurred will be charged to the customer.

Units pitched on Site are left entirely at the owners risk. Camping in the Forest is not liable for any loss or damage, whatsoever caused to the unit or its customers.

All personal data supplied in relation to this seasonal booking will be dealt with in accordance with the Data Protection Act. See the CITF Privacy Policy at **www.campingintheforest.co.uk/about-us/privacy-policy**.
