UK CLUB SITES TERMS AND CONDITIONS

Unreserved acceptance of the following conditions is a requirement for participation in the scheme and the member must sign the application form. This scheme is open to recreational campers only and is a member only benefit.

HOW TO BOOK

Application forms should be returned to Club HQ as soon as they are received in your monthly magazine or downloaded from the website.

Application forms will be date stamped upon receipt and bookings will be made on a first come first served basis by HQ staff. Only postal bookings along with payment will be accepted and payment will be taken when the form is processed.

Payment by instalment is only available for Summer and Year Round Seasonal Pitches and 60% is required on application. The Seasonal Pitch second instalment of 40% is due 28 days prior to the start of the booking date. Cheques should be sent to Greenfields House, card payments will be taken automatically using the details provided. Under no circumstances can Storage or a Seasonal pitch be occupied before the full payment is received.

With effect from Site opening date, applications can also be processed on the Site offering the facility.

Note: It is advisable to send application forms by recorded delivery (or similar) as the Club cannot take responsibility for any forms delayed by the postal service.

Please be aware that due to the high volume of applications received it is not possible to confirm receipt of any application forms, in addition confirmation of your booking may take longer when bookings first commence.

STORAGE AND SEASONAL DATES

Please be aware that some Sites may have different open and close dates (see website/annual guide) to the advertised storage/seasonal dates shown within this application form. The Start Date represents the 1st night of the scheme and the day from which units can arrive (after 1pm). The End Date represents the day by which units must be removed."

STORAGE

Leave your unit in Storage for the summer season or on selected sites

all year round. Milarrochy Bay exclusively offer Boat Storage (which includes launching) and Boat Mooring which have the same terms and conditions as Storage. Please see the attached grid for details.

UNIT MOVEMENTS

Storage – Units can be removed from Storage with 24hrs notice (48 hours for Tavistock) between the hours of 9am and 6pm. Units should be returned no later than 6pm. If you need to return your unit later than 6pm, this can only be done up to 8pm and must be by prior arrangement with the Site.

All Storage in the area is to be under the direction of the Holiday Site Manager. Towing Service, where offered, is subject to staff availability and should be discussed with the Holiday Site Managers in advance to ensure the service can be provided. Weight restrictions may apply. Please note: Due to access restrictions, units in Storage at Tavistock can only be moved by the Site team.

USE OF STORED UNIT

A unit may not be used for accommodation in any way whatsoever whilst in the Storage area. The Storage area is designated for the Storage of camping units only. If collecting a motorhome in order to tour, it may in some circumstances be possible to temporarily leave the car used to travel to site in the space left by the removal of the motorhome. This however is entirely at the discretion of the Site Manager, taking into account all other operational considerations, and by specific prior arrangement. Jet Skis cannot be stored in the Storage area.

DISPLAY OF VEHICLE REGISTRATION

A unit in the Storage area must display the correct vehicle registration mark and this must correspond to the entry on the application form.

SEASONAL PITCHES

Leave your unit pitched throughout the season. The pitch will be identified by the Holiday Site Manager on arrival, and the fee includes the hire of electric-hook up and the hire of hardstanding, with the exception of Alton, Leek and Nairn, where the pitch surface may be firm, well drained grass or gravel.

Note: Specific pitches cannot be reserved by staff at HQ or by Site before the booking begins.

If you have a special request, please make this clear on the application form and it will be included on your booking. Though the Holiday Site Manager will endeavour to meet your needs, The Camping and Caravanning Club cannot guarantee that all requests can be accommodated.

THE USE OF UNITS ON SITE

The Holiday Site Manager requires a minimum of 24 hours advance notice each time you are planning to occupy your Seasonal Pitch. For safety and security reasons, please report to the Holiday Site Manager upon arrival each time you visit.

The unit may be occupied on Site for recreational purposes only, subject to a maximum of 21 nights for any one visit. An interval of at least 3 nights must elapse before a return visit to the unit situated on the pitch.

MAINTENANCE OF PITCH AREA

Personalisation of a Seasonal Pitch is not permitted. This includes boundary fences, the planting of flower boxes, etc. The storage of any equipment beneath the units whilst the unit is not occupied is prohibited. The visual aspect of a Seasonal Pitch should be the same as any other tourer on Site and kept as neat and tidy as possible at all times.

AWNINGS AND GROUNDSHEETS

Though it is strongly recommended that awnings are taken down between stays and this may be insisted on in some instances, it may be possible, at certain times to leave awnings erected between stays. This is subject to specific agreement by the Holiday Site Manager and the signing of a separate agreement accepting responsibility for any consequential damage or loss. Please note all decisions are Site specific and will take in to account many factors, including but not exclusive to, anticipated weather conditions and exposure to risk. Groundsheets should be lifted at regular intervals to maintain the condition of the grass.

LEAVING YOUR UNIT UNOCCUPIED ON A SEASONAL PITCH

When leaving your unit unoccupied, if you wish to leave your awning up please advise the Site. Please ensure the electric and gas supplies are disconnected and that the pitch is left tidy.

Any keys to security locks must be left with the Holiday Site Manager; however neither they nor the Club take responsibility for your unit. Keys will only be used in case of emergencies and will be kept securely.

SEASONAL PITCHES; STORAGE SUB-LETTING

Sub-letting to any other party or parties whether for financial gain or otherwise is expressly forbidden. Either of the joint members within the membership of the booking, together with their children up to the age of 18 are allowed to use the unit.

Other members of the owner's family and guests can only use the unit when the owner is present, and must pay the appropriate fees per person. All visitors must report to the Holiday Site Manager on arrival.

Note: If the unit is in Storage it is permitted for it to be removed for the use of others with the relevant express permission from the unit's owner and on payment of the correct pitch fees if camping on Club Sites.

VEHICLES

Only one vehicle may be parked on the Pitch in conjunction with the use of a unit. Other vehicles may be parked elsewhere on the Site, subject to the Holiday Site Managers discretion and availability of space.

CHANGES OF UNIT, VEHICLE OR PERSONAL DETAILS

The Holiday Site Manager must be informed of any change of unit or vehicle registration number shown on the unit. Changes of a member's address or contact number must also be given to the Holiday Site Manager and Greenfields House.

Note: Please inform the Holiday Site Manager prior to removing your unit from a Seasonal Pitch or Storage. It is also important that you advise of your anticipated return date, otherwise your Seasonal Pitch or Storage space may not be available. If the Site is very busy, your vacant Seasonal Pitch or Storage space may be used in your absence.

REPAIRS TO UNITS

Essential repairs to units that are not roadworthy may be carried out

in the Storage area but permission must first be obtained from the Holiday Site Manager.

AUDIBLE ALARMS AND WHEEL CLAMPS

Audible warning alarms can be activated when the unit is unoccupied only subject to Holiday Site Manager approval; - The battery must be fully charged and in good working order to prevent false alarms due to voltage fluctuations. All other devices that could draw on the battery must be disconnected. Keys and means/instruction to turn off the alarm must be left with the site. If the alarm sounds the customer will be notified and must attend site without delay to assess whether or not there has been an incident and to reset the alarm (including recharging/replacing the battery if applicable). In the event of repeated "false alarms" the Club reserves the right to ask for the alarm to be turned off.

Wheel Clamps – where these or immobilising devices are fitted, a key must be left with the Holiday Site Manager in case of emergency.

Please note due to the soft ground within the Tavistock Storage area, wheel clamps cannot be used; however hitch locks are permitted.

GENERAL TERMS AND CONDITIONS

Storage and Seasonal pitch holders are also governed by The Clubs terms and conditions as listed in the annual guide and online at <http://www.campingandcaravanningclub.co.uk/>

CLUB LIABILITY

A members unit is left on the Site entirely at the members own risk at all times. The Camping and Caravanning Club is not to be liable in respect of loss or or damage however caused to the unit or its contents, nor under any obligation to take any steps whatsoever to protect the outfit or the said contents.

Where the depositor is not the owner, then the depositor is deemed to be the legal agent of the owner thereof.

INSURANCE

Units, as part of any scheme, should be adequately insured and a copy of the appropriate Certificate of Insurance must be given to the Holiday Site Manager upon arrival at the Site.

DANGEROUS INFLAMMABLE GOODS OR GAS BOTTLES

No goods of a dangerous or inflammable nature may be left in or on a unit whilst it is unoccupied.

To add to this, for safety reasons, when the member is away from the Site only gas bottles that fit within the unit gas locker will be permitted.

UNAUTHORISED UNITS

If a unit is left on a Club Site without permission, i.e. exceeding the period for which the fee was paid, the Club shall be entitled to make such arrangements as it may deem fit for the removal or storage of the unit.

The expense of such removal or storage will be for the owners account and, in the event of the owner failing to pay such an amount within 14 days of it being rendered, the owner is deemed to have authorised the Club to make such further arrangements as it may deem fit to dispose of the unit to reimburse itself for any out of pocket expenses and recover any unpaid fees due.

The Club reserves its right to store such a unit and charge the owner a commercial rate for the storage.

In all cases, the Camping and Caravanning Club will write to the owner to advise them of the above procedure.

CANCELLING A SEASONAL OR STORAGE PITCH

If you cancel your Storage or a Seasonal Pitch giving more than 14 days notice before the start of the booking, we will refund the fees you have paid, less an administration charge of £35.

If you cancel your Storage or Seasonal Pitch giving less than 14 days notice before the start of the booking, or it is cancelled once the season is underway, a refund cannot be provided.

Note: All cancellations for Storage and Seasonal pitches are required in writing and can be sent as an email to storage@campingandcaravanningclub.co.uk or posted to the HQ address listed on the form.

CAMPING IN THE FOREST TERMS AND CONDITIONS

Unreserved acceptance of the following conditions is a requirement for participation in the scheme and the Customer must sign the application form. This scheme is open to recreational campers only.

HOW TO BOOK

Application forms should be returned to Greenfields House, the full postal address can be found on the front page of the form. It is recommended to send the application by recorded delivery. Unfortunately due to the high number of applications received it is not possible to confirm receipt of the form by phone. Confirmations will be sent as soon as the booking has been made.

Bookings will be processed by HQ staff on a first come, first served basis and in order of receipt. Only postal bookings along with payment will be accepted and payment will be taken when the form is processed.

Payment can be made in full to secure your booking. Alternatively, you can pay 60% of the total cost in order to secure your booking. In this instance the final payment of 40% will be required 28 days prior to the booking start date.

Under no circumstances can a Seasonal Pitch be occupied before full payment is received.

SEASONAL PITCHES

The unit may be occupied on Site for recreational purposes only, subject to a maximum stay of 21 nights. An interval of 48 hours must elapse before the next visit is undertaken.

A Seasonal Pitch entitles the user to one tent, caravan, trailer-tent or motorhome and one car or motorcycle. Only one car may be parked on an 8m x 5m pitch with each unit. Additional cars and motorcycles will be charged a fee of £5 per vehicle per night or a one off payment of £50 can be made to cover a specific vehicle for the duration of the seasonal pitch. Other vehicles must be parked elsewhere on the site, subject to the Site Managers discretion and availability of space.

A maximum of one windbreak per seasonal pitch is permitted whilst the unit is occupied, subject to Site Manager discretion and site conditions.

Seasonal pitch holders and their children/grandchildren up to the age of 18 are allowed to use the unit. The same applies to co-owners and their children/grandchildren up to the age of 18. The Seasonal Pitch holder may nominate up to two co-owners. The cost for each additional co-owner is £150. If the owner and the co-owner are both in situ at the same time then standard extra adult and child charges will be applied to the co-owner.

Subletting to any other party is expressly forbidden.

All day visitors should report to the Site reception on arrival. Visitor cars are charged at £5 per day and must be parked in the car park not on the pitch.

THE USE OF UNITS ON SITE

The unit must be sited on the pitch identified by the Site Manager.

All units must be reversed onto the pitch so that in the event of an emergency the site team can access the unit.

If you wish to take your unit off site or out of storage during the season, please ensure you give the Site Manager 48 hours notice of this and a date when you will be returning the unit to site. In some cases access may be restricted. Please note units stored at Glenmore may not be removable due to extreme weather conditions. If you have any concerns please speak to the site team directly before making the booking. Returning to the same pitch may not be possible. You must inform the Site and Head Office of any change to the unit or vehicle registration as well as any change to contact details.

MAINTENANCE OF PITCH AREA

The personalisation of a Seasonal Pitch is not permitted; the Site is to be used for recreational purposes only and must therefore retain the aspect of all other touring pitches. There can be no boundary fences, planting of flower boxes or installation of any flooring other than ground sheets.

Seasonal Pitch holders are asked to be responsible for the tidy upkeep of the area in the immediate vicinity of their camping unit and should be prepared to comply with any reasonable Site management request regarding the maintenance of the occupied pitch.

Only a single awning is allowed on your Seasonal Pitch. A single awning is considered to be the length of the unit and not more than 3 metres deep. Groundsheets must be lifted at regular intervals to maintain the condition of the grass – where possible breathable groundsheets should be used.

No equipment may be stored below the unit when it is not occupied.

INSURANCE

Units on a Seasonal Pitch must be adequately insured; please give a copy of the appropriate Certificate of Insurance to the Site Manager on your arrival at Site.

DANGEROUS INFLAMMABLE GOODS AND GAS BOTTLES

Only gas bottles that fit in the caravan gas locker are permitted.

No other goods of dangerous or flammable nature may be left in or near an unoccupied unit.

LEAVING YOUR UNIT UNOCCUPIED ON A SEASONAL PITCH

When leaving your unit unoccupied please let the Site Manager know that you will not be on Site and ensure that gas and electric supplies are disconnected.

Do not leave food in your unit when it is unoccupied as it will attract unwanted attention from local wildlife.

Ensure that the pitch is left in a neat and tidy condition.

PROTECTING THE GRASS

In order to protect the grass on Site we reserve the right to ask you to move your unit every 28 days.

In the New Forest, units on grass pitches must move every 21 days as required by Natural England.

WHEEL CLAMPS

Where units are fitted with a device which prevents immediate removal, a fully labelled key must be left with the Site Manager in order that they can safely move your vehicle should the need arise.

UNAUTHORISED UNITS

Any unit left on Site for a period that exceeds the period that has been paid for will be removed and any costs incurred will be charged to the customer.

CLUB LIABILITY

Units pitched on Site are left entirely at the owners' risk. Camping in the Forest is not liable for any loss or damage, whatsoever caused to the unit or its contents.

Camping in the Forest staff have the right to carry out their duties without risk of violence or abusive language; any one undertaking any of these types of communication will be asked to leave the Site. The Seasonal Pitch may be cancelled and a refund will not be available.

All personal data supplied in relation to this seasonal booking will be dealt with in accordance with the Data Protection Act.

Seasonal Pitch holders are also governed by the terms and

conditions as listed in the Camping in the Forest brochure and online at www.campingintheforest.co.uk

CANCELLING A SEASONAL PITCH

Should you wish to cancel your Seasonal Pitch, we require written notification at least 14 days notice prior to the start of the season; notification of your wish to cancel must be sent to Head Office or emailed to storage@campingandcaravanningclub.co.uk. We will refund the fees you have paid less an administration fee of £35.

If you cancel your Seasonal Pitch giving less than 14 days notice prior to the start of the season or during the season, a refund cannot be provided.

ALDRIDGE HILL SEASONAL PITCHES

Seasonal pitches are available at the Aldridge Hill site for the 2019 season. There is a full season or a short season available.

Due to the unique opening arrangements at the site, any customer booking a full seasonal pitch at Aldridge Hill will be entitled to move their unit to a standard pitch on any other New Forest site for the period of 3rd June to 27th June for no additional charge. If you wish to upgrade to a different pitch type for the closed period this will be charged at the normal daily rate for that pitch.

If you choose not to move your unit to another site for this period you will still be required to remove the unit from Aldridge Hill until the site reopens on 27th June 2019.

BOAT STORAGE AVAILABILITY AND LIABILITY

Seasonal Boat Storage is only available at the Cashed Site and only to those customers who have a seasonal pitch at Cashed, or at the site managers discretion. Seasonal pitch holders are welcome to put one boat per pitch in to the boat storage yard on payment of the relevant fee.

Boats left in Storage are entirely at the owner's risk. Camping in the Forest is not liable in respect of loss or damage however it

is caused. We recommend that your boat is adequately insured. Please note third party damage and tree damage must be covered by your own insurance policy.

SECURITY

Camping in the Forest does not make any security arrangements whatsoever for boats left in the Storage area.

Where a boat is fitted with a device which prevents its immediate removal e.g. a wheel lock which cannot be removed without the key, a properly labelled key to the device must be left with the Site Manager once the boat is left in Storage.

No goods of a dangerous or inflammable nature may be left in the boat or in the Storage area. No fuel can be stored in or next to the boat.

RESTRICTIONS

Boats in the Storage area must correspond with the boat registration number given to the Site Managers.

Essential repairs to the boat may be carried out in the Storage Area. The Site Manager's permission is required before any repairs are carried out in the Boat Storage Area. Boats may only be cleaned in the Storage area.

If a boat is left in the Storage area after the end of the period paid for, Camping in the Forest reserve the right to charge for this period or to remove the boat. Any costs incurred in removing the boat will be charged to the customer.

Boats must be returned to the Storage area after use and not moored on the shoreline or kept on your pitch.
